## Experience

### HSE OFFICER

**El Seif Engineering Contracting Company**

**Precast Factory Oxagon P-180 NEOM**

1st May 2024 – Present

Dedicated and experienced Health, Safety, and Environment (HSE) Officer at Elseif Engineering, currently engaged in the **OXAGON Precast Factory**. Collaborating with prestigious clients such as **NEOM** and consultants from **Bechtel** Company, I specialize in ensuring compliance with safety regulations and implementing effective HSE protocols. My role encompasses JHA, safety trainings, and continuous monitoring to foster a safe and productive work environment in the production of precast materials.

## Projects

NEOM

With one year of dedicated experience as an HSE Officer at Power Teck Engineering Services, a Siemens Solution Partner, I have been instrumental in upholding the highest standards of health, safety, and environmental (HSE) practices in both mechanical and electrical environments. My role has involved implementing and overseeing safety protocols to ensure a safe and compliant workplace while supporting the company's commitment to operational excellence.

## Projects

## **HSE OFFICER** **Gulf Automation Services & Oilfield Supplies (GASOS)**

1 April 2021 – 31 December 2022 (2 years)

As an experienced HSE Officer at Gulf Automation Services & Oilfield Supplies (GASOS), I have dedicated the past two years to ensuring the highest standards of health, safety, and environmental practices within mechanical and electrical environments. My role has been pivotal in fostering a safe and compliant workplace, contributing to both operational efficiency and employee well-being.
