## **Nebosh Certificate Management System**

Dear Ali tariq

Thank you for your recent verification request for certificate master log number 00567002/1209711. We are pleased to advise you that NEBOSH has received authorisation to process your request, and we can confirm that NEBOSH issued this certificate to Ali Tariq on 08/02/2021.

**Please note** although NEBOSH does take every step to protect the security of these certificates we do recommend that you complete some additional checks to make sure that the person that has provided you with this certificate is genuine.

1. Check all of the details below match what is printed on the certificate.  
**Master log number:** 00567002/1209711  
**Unit certificate/qualification name:** NEBOSH International General Certificate in Occupational Health and Safety
2. As part of this verification, we have provided you with the date of birth that we have on record for the certificate holder. This is information that is not printed on the certificate. **Please check this against government issued ID to make sure the dates match.**  
  
**Date of birth:** 05/01/1995
3. Learner full name – **check against government issued ID.**
4. If the person requires a full qualification, please check that the qualification title is the one required. If the title shows "a unit of" you have not verified that the learner has completed the whole qualification. You will need to request a copy of the qualification Parchment.

5. Learner's name is printed in the background of the certificate.

**If you are in receipt of the original certificate please also check the following:**

6. The certificate is printed on high quality, watermarked security certificate paper.

7. If you have one, shine a UV light on the certificate to see the NEBOSH logo.

8. Check the NEBOSH hologram, the NEBOSH logo shape will be die-cut into the hologram and there will be some depth to the hologram image. The individual images within the hologram will change into a variety of colours when tilted at different angles.

Once you have completed all the checks, if you believe that there is suspicious activity around the certificate you are verifying please report this to NEBOSH using our "Report suspicious certificate activity form" on our [verifications page](#), where you will also find our "*Verifying credentials to prevent qualification fraud – Guide for Employers*".
