

Anwar Abdul Sattar

HSE ENGINEER

Location: Tabuk, Saudi Arabia

Mobile: +966-53-921-9350

Email: anwarsattar915@gmail.com

CAREER OBJECTIVE

With 10 years of experience in managing site activities, implementing safety programs, and ensuring compliance with health, safety, and environmental standards, I am known for my excellent communication, team management, and problem-solving abilities. I have a proven track record in enhancing safety culture and leading teams to address client needs and drive strategic changes. I am seeking a dynamic role where I can leverage my extensive experience and analytical skills to contribute to organizational success.

PERSONAL SKILLS

Willingness to Learn: Committed to continuous professional development and staying updated with industry trends and best practices.

Good Communicator: Adept at conveying complex safety information clearly and effectively to diverse audiences, ensuring understanding and compliance.

Responsibility: Proven track record of taking ownership of safety tasks, projects, and challenges, ensuring thorough and reliable outcomes.

Adaptability: Flexible and able to adjust to changing environments and demands while maintaining a focus on safety and compliance.

Leadership Quality: Demonstrated ability to lead teams, motivate colleagues, and drive safety initiatives with a focus on achieving organizational goals.

Progressive: Proactive in seeking innovative solutions and improvements to enhance safety practices and operational efficiency.

Confidence: Self-assured in decision-making and problem-solving, with the ability to handle high-pressure situations effectively.

Empathy: Understanding and responsive to the needs and concerns of team members, promoting a supportive and inclusive safety culture.

PROFESSIONAL SKILLS

As a seasoned HSE Engineer, I offer a comprehensive skill set designed to ensure safety, compliance, and operational excellence. My key skills include:

Compliance Inspections: Expert in conducting thorough inspections to verify adherence to health, safety, and environmental regulations, identifying non-compliance issues, and recommending corrective actions.

Site Analysis: Experienced in performing detailed site analyses to identify potential hazards, assess risks, and develop strategies to mitigate safety issues.

Risk Assessment: Adept at performing comprehensive risk assessments to identify potential hazards, evaluate risks, and implement effective mitigation strategies.

Safety Incident Reports: Experienced in documenting and analyzing safety incidents, preparing detailed reports, and recommending corrective actions to prevent future occurrences.

Developing Training Programs: Skilled in creating and delivering engaging training programs to educate employees on safety practices, emergency procedures, and regulatory requirements.

Safety Audits: Proficient in conducting safety audits to assess adherence to safety standards, identify areas for improvement, and ensure regulatory compliance.

INTERESTS

I stay physically active and fit through various sports activities, which help me maintain a balanced and healthy lifestyle. I am also passionate about reading non-fiction, particularly history and learning journals, as they broaden my knowledge and enhance my awareness. Additionally, I find fulfillment in participating in volunteer work, where I contribute to the betterment and growth of my community by helping those around me.
