

CURRICULUM VITAE

Tayyab Tahir

NEBOSH IGC, Geological Engineer

E-mail ID: tayyabtahir04@gmail.com

Phone: +966 539369483

Location: Madina, KSA

Iqama status: Transferable

CAREER OBJECTIVE

To offer myself as a Competent Safety Management Professional in a competitive and challenging environment where I can contribute my potential ability to the organization's growth and success with the best of my ability and knowledge. Having demonstrated expertise and experience in Health, Safety, and Environment Management.

KEY RESPONSIBILITIES

Abdul Ali Al Ajmi & CR18 (JVC) – Madina, KSA

August 2024 – Present

Designation: HSE Officer

Project: Main Infrastructure Package (North & South) Rua Al Madinah

Company: JVC (Abdul Ali Al-Ajmi & CRCC18G)

Consultant: Parsons and WSP

Client: Rua Al Madinah

- Creation, implementation, and monitoring of HSE Management system.
- Prepared HSE plans to ensure compliance to HSE policies, standards and procedures.
- Preparation, amendment, revision, communication and compliance evaluation of Risk Assessment and ensure that all risks are identified and prepare appropriate risk management plan.
- Conduct in-house trainings for workers and staff.
- Conducted regular inspections and audits.
- Ensured that the facilities are being driven according to the best HSE standard in-order to achieve best score in external.
- Focusing on the target achievement of reducing accidents year on year towards the ultimate goal of Zero accidents.
- Monitored HSE Performance by communications and regular visits.
- Managed welfare facilities (Camps)
- Accident and incidents record revision, and participation in incident investigations.
- Presented HSE surveillances to the higher management.
- Conducted management review meetings to assess the effectiveness of the HSE Management System and identify required improvements for continual improvement.

Designation: HSE Officer

- Prepared and submit Project Safety, Health, and Environmental Plan (PSHEP), Heat stress.
- Permit system, risk assessment, Emergency response & preparedness procedure, and induction & training presentations.
- Reporting procedures for accidents and near misses, conduct investigation to find the root causes and prevent accidents or near miss happened again.
- Prepared and submit weekly statistical reports including update list of TUV and SAG licenses.
- Prepared weekly safety presentation discusses during weekly HSE meeting.
- Conduct safety induction to all subcontractor's staff, and new JVC staff.
- Conduct safety staff meetings.
- Collect and submit safety officer site observations.
- Prepared matrix training schedule.
- Conduct walkthroughs with the client and all safety staff.
- Conduct candidate interviews for safety officer, and safety supervisor and submit evaluations.
- Prepared weekly toolbox topics.
- Monitor that an adequate program of training for health and safety is established and that the safety culture is encouraged amongst employees.
- Collect and submit near-miss reports.
- Prepared warning letters.
- Conduct safety site inspection.
- Conduct weekly mobile equipment inspections.
- Prepared lifting permit & plan.
- Prepared and submit closeout report for NCR and SOR
- Attending progress meetings.

Designation: HSE Officer

- Conducting training and Toolbox Talk of the workers, supervisors, and other employees to promote the HSE culture in the company.
- Analyzing and approving work permits through the PTW system.
