

Mohammad Gaffuruddin

HSE Specialist

+966 54 734 9455 | Email id- gaffur_safetyeng@yahoo.com Riyadh, Saudi Arabia

Biography

With 14 years of experience in the Health, Safety, and Environment (HSE) field in Saudi Arabia, I have worked on various projects, including building construction, monorail projects, and over-bridge and asphalt road construction on live roads. My experience includes collaboration with world-renowned contractors, consultants, and clients. My valued qualifications, curiosity, and extensive experience contribute significantly to my professional capabilities.

Key Qualifications

A young, enthusiastic Engineer who believes in "synergy" and has a proactive, result-oriented approach, with knowledge and experience in the field of HSE. Well-disciplined with a proven ability to manage any task consistently under extreme pressure. Strong team builder and facilitator, fostering an atmosphere that encourages highly talented professionals to balance high-level skills with maximum production.
