

## PROFILE

As a HSE Supervisor, my primary objective is to impart the fullest of my abilities in ensuring that all the people involved in the company comply with the health, safety, and environmental protocols. My 8 plus years of experience as Safety Supervisor have broadened my understanding and enhanced my skills in conducting risk assessment programs as well as developing risk mitigating methods. Among my aims is to ensure that every employee is well-equipped to respond to emergencies by designing and conducting regular drills. I also aspire to constantly improve my administrative abilities and to cultivate the safest working environment possible for all.

## ACCOMPLISHMENTS

Accomplished MBA (Banking and Finance) from (AIOU), NEBOSH (UK), IOSH-MS (UK), OSHA-48 Hrs., Fire prevention and safety officer's course for Oil Installation (NIFTECH) and Fire prevention officers' course (NIFTECH). I am fully committed, capable and confident who possesses the required vision, ability, drive, and enthusiasm. I am a highly organized and consistent individual who can quickly comprehend complex managerial scenarios.
