ABOUT MYSELF

Safety Specialist | Educator | Zoologist

A dedicated and versatile professional with a strong academic foundation and practical experience in safety management. I hold dual Master's degrees in Zoology and Education, bringing a unique combination of scientific acumen and pedagogical expertise. With two years of hands-on experience in safety across various industries, I have developed a solid understanding of safety protocols, risk management, and compliance.

Currently pursuing a Level 7 Safety course, I am committed to advancing my knowledge in health, safety, and risk assessment to further enhance workplace safety standards. My excellent communication skills enable me to effectively convey safety procedures, conduct training sessions, and promote a culture of safety awareness across all organizational levels.

I am focused on delivering impactful solutions that mitigate risks, ensure compliance, and foster a secure working environment.
