[kamil.pervaiz638@gmailom](mailto:kamil.pervaiz638@gmailom)

**Career Objective:**

To obtain a challenging position as an HSE Officer where I can utilize my expertise in health, safety, and environmental regulations to create a safe work environment, minimize workplace hazards, and ensure compliance with all relevant laws and standards. I aim to contribute to the development and implementation of effective safety protocols, conduct thorough risk assessments, and promote a culture of health, safety, and environmental responsibility within the organization. Through continuous improvement and proactive measures, I seek to reduce accidents and environmental impact while enhancing organizational efficiency and employee well-being.

**Profile Summary:**

Results-driven and detail-oriented HSE Officer with 5 years of experience in managing health, safety, and environmental protocols across diverse industries, including construction, manufacturing, and oil & gas. Expertise in conducting thorough risk assessments, identifying hazards, implementing safety policies, and ensuring compliance with local and international regulations. Proven ability to reduce incidents and improve workplace safety through proactive safety initiatives, training programs, and incident investigations. Strong communicator and team player, skilled in fostering a safety-conscious culture, driving continuous improvement, and ensuring environmental sustainability. Adept at collaborating with cross-functional teams to ensure a safe, compliant, and productive work environment.

**Subject: Equivalence of Master of Business Administration degree awarded by Federal Urdu University of Arts, Sciences & Technology, Islamabad.**

Dear Sir,

With reference to your application dated August 20, 2018 on the subject, it is informed that Federal Urdu University of Arts, Sciences & Technology, Islamabad is a chartered university in public sector. The Higher Education Commission recognizes Master of Business Administration degree held by you from Federal Urdu University of Arts, Sciences and Technology, Islamabad after 'B.Com/14-year schooling' as equivalent to corresponding MS/M.Phil degree in the relevant field involving 18-year of schooling.

It may also be noted that admission in a university for further education and determination of suitability in relation to job requirement rests with the concerned university and employing agency, respectively and this Commission has no role in such issues.

Yours faithfully,

  
(Abid Wahab)
