Dear Hiring manager,

I am writing to express my interest in the HSE SUPERVISOR position in your organization as advertised. With over 12 years of overseas comprehensive dedicated experience in Health, Safety, and Environmental (HSE) engineering, along with a proven track record of ensuring workplace safety, regulatory compliance, and risk mitigation across diverse projects, I am confident in my ability to contribute effectively to your organization. In my most recent role as an HSE supervisor at Calik Energy's Taurus Power Generation in Iraq, I successfully led accident investigations, performed hazard analyses, and implemented work permit systems at the Baziyan Combined Cycle Power Plant. Through my efforts, I fostered a culture of safety and risk mitigation while ensuring compliance with safety policies, regulations, and ISO 45001:2018 standards.

Prior to that, as a HSE advisor at SIEMENS ENKA INSAT, I played a pivotal role in enhancing workplace safety and fostering compliance across operations at the Consortium Misurata 650MW Simple Cycle Power Plant. My responsibilities included interpreting legal standards, conducting safety assessments, and spearheading accident investigations to promote a safe working environment conducive to productivity and employee well-being.

Throughout my career, I have developed expertise in safety management, risk assessment, compliance assurance, incident investigation, and training facilitation. I possess a comprehensive understanding of environmental protection and regulatory compliance, and I am adept at conducting safety reviews and executing safety studies to ensure the utmost safety standards.

Furthermore, my educational background, including a Master Diploma in Health, Safety, Environment, and Risk Assessment, along with relevant certifications in fire prevention procedures, accident & incident investigation, and safety audit procedures, has equipped me with the necessary knowledge and skills to excel in this role.

I am excited about the opportunity to bring my unique blend of skills, experience, and passion for safety to your organization. I am eager to contribute to the success of your organization and help drive safety initiatives that promote a culture of safety excellence.

Thank you for considering my application. I look forward to the possibility of discussing how my background, skills, and qualifications align with the needs of your team. Please find attached my resume for your review.

Warm regards,

Naushad Anwar

Naushad Anwar
