## *Certificate of Completion* *Professional Development Program*

*This is to certify that*

### **Syed Rameez Haider**

*Has successfully completed all academic requirements in this 6-hour Occupational Safety & Health Course of study presented by OSHA.edu.*

### **Work at Height Safety**

*Work at height safety involves assessing and mitigating risks associated with elevated tasks, emphasizing fall prevention through measures like guardrails and safety nets. Adequate training ensures proper use of personal protective equipment (PPE), such as harnesses, while compliance with regulations enhances overall safety in tasks conducted at elevated levels. Regular equipment inspection and adherence to safety protocols are paramount for minimizing accidents and promoting a secure work environment.*
